Gary:

I am tracking the vacuum boxes and roll offs closely. I will talk to Triad again today. Another box went off rent yesterday.

Beth:

Did you include the last week of disposal activities in this table. I noticed that we did not show the TCEQ drums (2) that were shipped to Veolia from the FT1004 cleanout.

Also, we need to get the status of the disposal of the wastes in the remainder of the Vac Boxes. I am still getting charged for an Roll-off and many Vacuum Boxes. The Roll-Off and 1 Vacuum Box should already be cleaned and released by TIBM. The others I think are at Veolia and we need to get those run down.

Let me know of any issues.

Thanks

Gary,

Attached is a final Waste Summary Sheet. Let me know if you see anything that looks strange.

Thanks,
